**DWY Landscape Architects Celebrates 15 Years in Business
and Relocates to New Downtown Sarasota Office**

Sarasota, FL (July 2014) – Prominent design firm DWY Landscape Architects is marking its 15-year anniversary this month and kicking off a yearlong celebration campaign by unveiling an anniversary logo designed by Jim Keaton of Gardner Keaton, Inc. A move to a modern office space at 300 S. Orange Avenue puts DWY directly across the street from the new home of Center for Architecture Sarasota.

Founded in 1999 by David Young, ASLA, DWY is recognized for modern landscapes with a clear connection to each project's site and architectural style. It is the attention to detail in plant selection combined with Young's signature hardscape features, green walls and water elements that have garnered local and national attention. What began as a small practice with a focus on residential estate design 15 years ago has evolved into a landscape architectural firm with a portfolio that includes museums, resort developments, campus master plans, parks and streetscapes.

The new office address is 300 South Orange Avenue, Sarasota, FL, 34236. Phone number and other contact information remains the same. DWY Landscape Architects can be reached by calling 941.365.6530 or via the website www.DWYLA.com.
